Moms & Dads

Things such as a child's Social Security number could be used by thieves to apply for loans, get a bank account or credit card, or even to apply for government benefits. So it's important that you guard that information as closely as possible. Where do you start? Watch the video to learn some helpful tips.

Operation Spend Smart - Turbo-fy Your Savings Power

Savings Island is in danger! Its savings power is very low. If Pirate Spendit hatches one of his schemes, people may spend (and lose!) all their money.

Here's where you come in... Help people save money by shopping smarter. If they find the same item for less, they'll save more.

Let's start with our Long John Saver friends. See if you're a smart spender...

Long John wants a new boat and his budget is \$20

ITEM	DETAILS	COST
Boat 1	Brand New Model	\$20
Boat 2	Older but super-powered	\$14.50

THE DECISION: Boat 2 is the smart choice. Long John can still defeat Pirate Spendit AND have money left over.

Long John Saver wants to add a rocket charger to his boat! His budget is \$35

ITEM	DETAILS	COST
Charger 1	Simple but state-of-the-art	\$22
Charger 2	100 features she doesn't need	\$28

THE DECISION: Charger 2 is cool, but Charger 1 has everything Long John needs (and he'll save \$6).
