### What is Operation Backpack?

Each year, hundreds of VBCPS students start the school year without a backpack and basic school supplies. In an effort to support these students, we will be collecting backpacks and various other supplies as part of our annual Shred Day initiative. Our goal is to ensure that students have everything they need to commence the upcoming school year successfully.

If you would like to help, we'll be collecting items and monetary donations at both branches from April 1st through our Shred Day event on April 27th. All monetary donations are used to purchase backpacks for the VBCPS Family & Community Engagement office.
